Highlights

Patented sonic technology

Sonicare electric toothbrush's unique dynamic action gently and effectively reaches deep between teeth and along the gumline.

Naturally whiter teeth

The Dynamic Cleaning Action of this toothbrush and the direct broader contact with each tooth, has proven to remove everyday stains, to help keep teeth naturally whiter.

Improves gum health

This Philips Sonicare electric toothbrush provides optimal cleaning between teeth and along the gumline for improved gum health in just two weeks. Giving a superior cleaning in between teeth and removes significantly more plaque to a manual toothbrush

Five different cleaning modes

The five modes include a clean mode for an outstanding clean in two minutes. A sensitive mode for gentle yet thorough cleaning of the gums. A refresh mode for those quick one minute touch-ups. A massage mode to stimulate the gum and a gum care mode that helps improve gum health.

Gentle teeth and gum cleaning

Philips Sonicare toothbrush with Sensitive Mode: Gentle, yet thorough cleaning for sensitive gums

Smartimer

2-minute timer on this Philips Sonicare electric toothbrush helps ensure dental professional recommended brushing time

Quadpacer

30 seconds interval timer indicates when you have completed each quadrant of your mouth and signals for you to move on resulting in more consistent cleaning throughout your mouth

Helps whiten teeth

Philips Sonicare's best teeth whitening: this toothbrush helps to remove and reduce stains on your teeth for a brighter smile.

Angled brush head neck

The uniquely angled brush head neck of this toothbrush head makes it easier to reach back teeth, removing plaque in those hard-to-reach areas.

Safe and gentle

Your Philips Sonicare Electric Toothbrush is safe to use on: braces (brush heads wear out sooner when used on braces), dental restorations (fillings, crowns, veneers) and periodontal pockets.

UV brush head Sanitizer

All-in-one sanitizing, charging and storage. The UV brush head Sanitizer helps keep your brush head free of bacteria. It kills up to 99% of bacteria and viruses.*
